WHEN THEY BURN OUR FLAG ....IT'S TIME FOR VIOLENCE

No nation in history which has tolerated disrespect for its flag and institutions has ever survived. Today, arrogant Communists, Jews, niggers and assorted degenerates, posing as lovers of "peace", are not only parading in our streets with enemy, Viet Cong flags, but openly burning our American flag.

As a young Navy fighter pilot out in the Pacific during World War II, at Guadalcanal, Guam, and other outposts, I remember the way I wept with deep emotion at the mere sight of the stars and stripes being hoisted once more into the sky, after we fought for and won those islands.

How any American can now tolerate the arrogant traitors who hold that beautiful banner up and burn it in public, is more than I can understand!

This supine toleration of enemy flags in our streets, while they burn Old Glory, cannot be allowed much longer before the process becomes irreversable. If our people once lose the fire of love of country and intolerance of disrespect and treason toward that country, we will soon have

no country--which is exactly the aim of the filthy Red traitors, posing as "peace" lovers.

There comes a time when only a weakling can continue to depend on words and sweet-talk to defend his honor and conscience.

That time comes when one has exhausted all avenues of peaceful, legal methods of self defense, and

When armed "Black Panthers" march on our legislature, in uniform --and get away with it--then it is time for old-fashioned Americans to quit petitioning and talking, arm themselves and prepare to stop these black terrorists.

Only a blind fool can fail to see the terror and surrender which is ahead for our beloved people and country, unless somebody does something beside talk, and damned

has found one's self still insulted, spat upon, outraged and threatened. Any man who allows this to go on is no man. He is a yellow coward, regardless of how he rationalizes his cowardice.

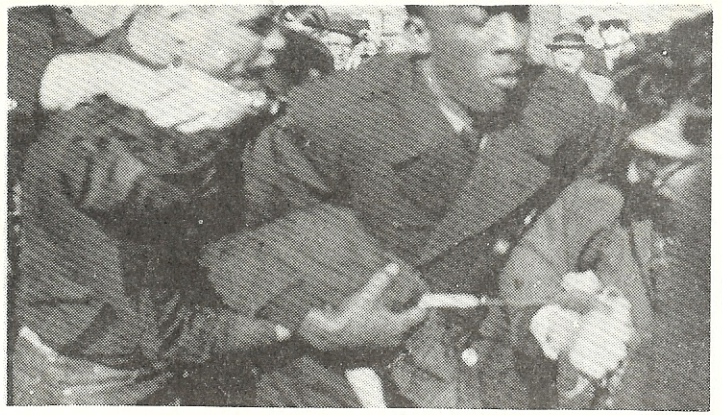
When they start burning my American flag, then I have had enough of talking. When they parade enemy flags in our streets, even while those flags are killing Americans by the thousands in Vietnam, then I have finished with talking. It is time to act.

soon.

We have already started.

I tore down the first enemy, Viet Cong flag, out of the hands of a New York Jew named Austin Straus, almost two years ago in front of the White House, and went to jail for it.

Since then, we have ripped down every one of these treason banners we have found, always getting arrested and jailed for doing what every American should do.



Commander Rockwell struggles in grip of police after ripping down Communist Viet Cong flag from Jew, Austin Straus, at right.

Today, the situation has become so bad, as a result of inaction by all the rest of the so-called "rightwing", that the Reds are marching through our streets in giant parades of as many as 100,000 advocating the victory of the Communist enemy.

This spring, the commies and peace creeps announced a massive "peace parade" in San Francisco and New York.

We decided, for the first time, to attack, regardless of consequences.

I went out there to confer with the Oakland unit.

While holding planning sessions, I had spent a sleepless night listening to a San Francisco telephone talk show. Dozens of mush-heads called in to bemoan the fate of a nigger murderer who was to be gassed the next morning. The churches were planning to toll their bells when they knocked off the jig, and the sickening sympathy for this brutal blackanimal who murdered a White cop was more than I could stand. One of these cruds snarled that the White cop deserved to be shot! Many of them kept saying how they were going to have a vigil and picket at the gates of San Quentin before and during the execution.

So I made a double-size, giant sign reading: "GAS, the only cure for Black Crime and Red Treason!", went out there and started marching up and down in front of three or four hundred of the scum waving that sign, alone. Their signs were all about "love". But you should have seen the naked hate and violence smouldering in their encrusted eyes when they caught sight of me.

There were raging threats, mostly by Jews, but I kept marching up and down, waving that "GAS" sign at them. Some especially vicious niggers came close and gave me the eyeball-to-eyeball, "You-wanna-die-too-Man?" bit.

But they didn't do anything. Just about as I thought I'd weathered the worst, about 20 minutes before the nigger was due for gassing, I was suddenly hit from behind with the full force of a charging 200 pound, six-foot-two bearded wild-man, who tried to bowl me over, and managed to knock my sign out of my hands.

I lit out after him, caught him just short of a plate glass window, and smashed him in the mouth. Muskrat, who drove me over there, and who had been in the crowd, raced upand hit the creep about three more licks before he went through the plate

glass window with a deliciously satisfying crash.

They hauled the bleeding creep away on a board, while I went back, picked up my sign, and picketed without further difficulty from the cowardly Red cruds.

The battle of San Francisco took place a few days later.

Stormtrooper Mike Brown, 230 pound ex-paratrooper, took one look at the eight big nigger guards marching at the head of the San Francisco "peace" parade. The Blacks, all longshoremen from Harry Bridges' Communist union, were swinging razor-sharp baling hooks in their white-gloved hands. They were wearing berets and fancy uniforms. But Mike knew there was nothing fancy about their dirty, Communist purpose.

This was the commie "peace" parade of April 15, 1967, and the Reds knew we would never sit idly by while they flaunted enemy, Communist flags through our streets--the same Communist flags under which the Viet Cong was even then killing fighting Americans in Vietnam.

Those baling hooks were meant to rip out the bowels of any Nazi who tried to interfere with their damnable Red treason. We'd hit them often enough before, so they knew we'd be attacking.

We had no weapons, but Mike had no intention of letting the traitors and their brutal nigger guards get away with parading enemy flags anyplace where we could get at them.

Mike ordered our men to cover up their uniforms and armbands, and merge with the crowd along the parade route.

Little by little, our men slipped into the middle of the parade itself, behind the nigger guards and the commie flags.

Our target was the huge banner being carried clear across the street: "VICTORY FOR THE VIET CONG!", plus the six enemy, Communist, Viet Cong Red flags, and a Chinese commie flag.

Little by little, our boys got into position, with their uniforms and swastika armbands covered by raggedy beatnik shirts.

At first the Reds were nervous, looking for the Nazis among the crowd, and bracing themselves for the attack. But as the march went for three or four miles without incident, they began to relax.

Believe it or not, they gave some of our boys flowers to pass out, the way these love-creeps do. This gave us a fine opportunity to move into position un-noticed.

When the cops and paraders figured nothing was going to happen, Mike Brown suddenly ripped off his jacket, revealing his blazing red, white and black swastika armband and brown-shirt. "DEATH TO TRAITORS!", he roared.

While the other 17 men were tearing off their jackets, Mike hit the two big Jews carrying the "VICTORY FOR THE VIET CONG!" banner. Mike is 230 and solid steel. The Jews went DOWN. One of the 12-foot heavy poles they were carrying to hold up the banner was splintered with the force of his charge.

Two nigger troops jumped Mike while he was smashing in the face of one of the Jews who tried to attack him. Mike took them all on, flung them off like a terrier shakes a rat, and then went after them with his fists flailing.

Meanwhile, our lads hit every commie-flag carrier, tore down their Red rags and smashed the faces of the filthy scum daring to parade in American streets with commie flags.

LEFT: Big Mike and Bill Kirstein finish off one of the Red-flag carriers who tries to cover head with coat and hands to get away from Nazi vengeance.

Six-foot-seven Howard Williams, just returned from international organizing for the Party in Australia, charged into a herd of niggers surrounding one of the flags. He got not only the flag, but a good bag of niggers.

Don Hoffman, ex-bank-robber and built like a human bomb, roared into a group of mixed niggers and Jews, strewing the wreckage on all sides, emerging from the bloody welter with another enemy flag.

"Muskrat", one of our best "bike" riders, slashed into another knot of enemy scum. "Muskrat" is slim and light, but meaner than a snake and twice as fast. He got him a Red flag, too, and left a lot of bloody enemy teeth in the street.

Sisco, wounded in combat, and carrying a steel plate in his leg, nevertheless tore into the Red mob, scattered the cowards like sheep, and smashed a Red flag carrier--capturing still another enemy banner.

"Shorty" Kirstein, six-foot-three of ex-football champ and built of solid steel and dynamite, slammed into the vanguard of the Red parade, cutting off the niggers with their baling hooks, and taking on the biggest and worst of the guards behind them. They went down in a crashing pile, yelling like stuck pigs. They thought at least a hundred Nazis had hit them. But there were too many for "Shorty", and they got him down and were beginning to kick his head in, when six-foot-seven Williams, who was quietly rolling up the "VICTORY FOR THE VIET CONG!" banner in the middle of the mayhem, saw one nigger getting ready to spear Kirstein with a sharp, splintered flag pole.

Williams took the other big flagpole he already had, and charged the nigger who was aiming at Kirstein. The nigger got it right in the ribs with all of Williams' 280 pounds behind it. The nigger went down, and puked in the street.

The rest of the boys beat all the fight out of the last of the Red guards and made a clean sweep of enemy flags. Not one was left, and we have all six of them.

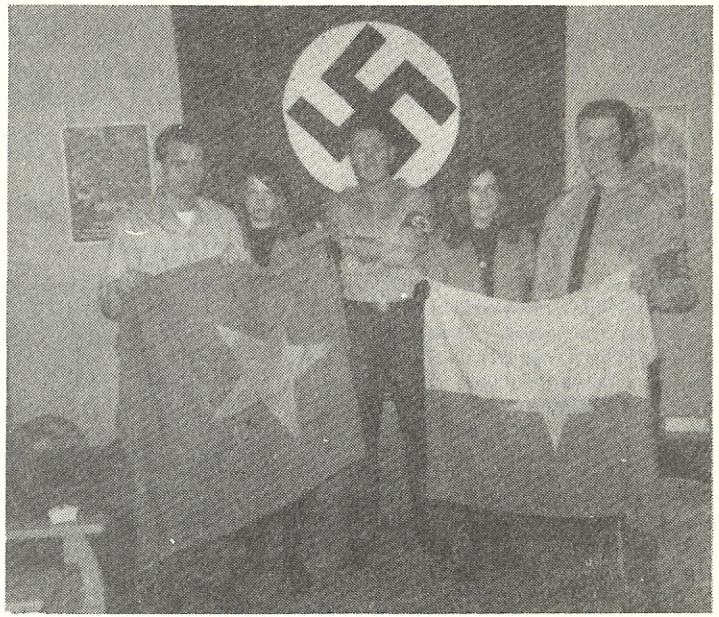
By this time, of course, the parade had been stopped dead, all 30,000 of the bums, and the groaning and moaning of the horrified commie rats was music to the ears of good Americans. I only wished that some of our fighting servicemen in Vietnam could have been there to enjoy it.

In less than three minutes, before the nigger guards upahead could get back into the melee, we taught those Reds that it ain't safe to parade through American streets with enemy flags. Our brave lads taught the commie scum to fear the wrath of honest Americans.

With their faces bleeding, these cop-hating cowards were, believe it or not, screaming for the police to help them! For years, they have hollered "po-leece broootalitee", nigger fashion. But after we hit them, the Reds wanted all the "fuzz" they could get.

"Strangely", however, there were no cops to be seen!

We got away clean with every one of their rotten Red flags. Finally, one police officer strolled up, stopped, looked, and then very slowly and deliberately asked one of the Red rats lying in the street, "What seems to be the trouble here?"



BIG MIKE, with two of his men and two pretty Nazi-ettes holding captured commie banners at victory celebration in Oakland headquarters after the fight at the "peace" parade in San Francisco.

Not one of us was arrested, but the cop did make us give back the shreds and ribbons of their "VICTORY FOR THE VIET CONG!" banner, as a sort of sop, after the Reds practically wept, pleading to get it back. But not before we walked on it and spat on it thoroughly.

Four weeks later, on May 13, Mike and his men pulled off an even bolder move.

The Black Panther niggers, supposedly the most vicious of all the apes, have a big headquarters not far from our own headquarters in Oakland.

Toward the end of April, these black animals had the arrogance to march into the California legislature in uniforms, ARMED, to show they were ready for battle. They got away with it, as usual. But it doesn't take much guts to scare a bunch of unarmed legislators in a state house.

Big Mike decided to test the niggers out for real.

He mustered our Oakland motorcycle riders and asked for six volunteers for a possible suicide mission. He warned them that they would be facing a possible shoot-out against 54 heavily armed niggers, fortified in their headquarters, while we would be outside, and would have to take the first volley.

All our boys jumped forward, eager to fight. But some were too young, some too untested and inexperienced. Big Mike chose six, armed them with older rifles and .38's or .44's (in case of police seizure) and piled the group into an old station wagon.

Arriving at the Black Panther headquarters, they leaped out and formed a line at parade rest, directly across the street from the Black Panthers, who were having their weekly meeting inside.

Mike carried a sign reading: "WHITE MEN ARE ARMED TOO NIGGERS!" and "WHEN DOES THE RIOT BEGIN?"

Newsmen who appeared hurriedly scrambled half a block away, sure that the niggers would answer with gunfire.

When the niggers saw our boys meant business, and were ready to die, if necessary, they put away their guns and came walking out of their headquarters.

The head "Panther" sideled across the street toward Mike, keeping a bugged-out eye on our guns. He came un-armed.

"Hey, man, what's the rumble?" he said in a small voice. "We ain't got no fight with you cats. It's them racist cops!"

Presumably, this was supposed to put us over on the nigger side.

But the nigger reckoned wrong, because we are on the side of the "racist cops" when it comes to seeing that law and order prevail in the streets, and these arrogant niggers don't terrorize our citizens.

Everything I can see ahead points to a major upheaval in Oakland this summer, perhaps the worst in the nation, and we are 100% on the side of the "racist cops". Our guns and motorcycles are at their disposal, and we have every intention of shooting or riding down any niggers who threaten to attack us or commit felonies in our presence, terrorize other citizens with their guns and molotov cocktails, or shoot cops.

After half an hour of backing down the niggers in public in front of their own headquarters, our boys piled back into the old station wagon and started off. Then, and only then, did the cops pull us over. They checked all our weapons, ammunition and equipment. Then they removed the bolts from the rifles, unloaded the pistols, put all the pieces on the deck of the car, and sent us on our way. They don't want to arrest us because then there would have to be press coverage of what we had done.

And they are not about to give us any press coverage on these activities, because they are what the American people want. Our people still have red American blood in their veins, not luke-warm wee-wee, like the peace creeps--and the "conservatives".

Americans are fed up with commie traitors and Red rats parading around for the Viet Cong, waving enemy, Viet Cong flags, burning American flags and giving aid and comfort to the devilish terrorists who are killing our brothers, fathers, husbands and friends in Vietnam.

Americans are fed up with arrogant niggers raising hell in the streets, while the cops are helpless because of political orders from cowards in high places who fear the nigger bloc vote.

Americans are still the people who told King George and the most powerful army and navy in history to go to hell, the same heroic people who told the Barbary pirates to go to hell before they'd pay any tribute, the same heroic people who beat the hell out of the Indiana, beat the hell out of every opponent we have ever had, and now ache to beat the hell out of the enemy in Vietnam, if only the cowardly politicians would let us.

I myself tore down the first enemy, Viet Cong flag paraded in our streets, in front of the White House, almost two years ago--and went to jail for it. (And I can assure the reader, it was a deep satisfaction to me to get my hands on the vile, New York Jew, Austin Straus, who was carrying that Red treason rag.)

Since then, we have torn down every commie flag they have hoisted up--and not once have the politicians dared make an issue of it in court. The people wouldn't stand for it.

Now they're burning American flags.

How any red-blooded American can stand still for that is more than I can understand.

Let the traitors, and commies and their pals consider this a declaration of war. If our government is too chicken to declare war on those who are killing Americans by the thousands, then I will!

If our Congress had the guts and the decency to declare war on the open enemy who is shooting at us, then these Vietniks could and would be tried for treason, and punished appropriately. That's exactly why they don't declare war--to protect these filthy traitors.

I have been careful to avoid violence for more than eight years, now.

The only times we have been in fights (which has been often) was when we were unfairly attacked in demonstrations, speeches, etc.

But now I have had it being "non-violent", while these unspeakable traitors and villains burn our American flag, carry enemy flags and huge parade-signs urging victory for the enemy, and wave enemy, Viet Cong flags in our streets.

Regardless of the cost, I intend to tear down every Communist enemy flag I see in our public places.

I intend to put an absolute stop to the burning of an American flag anywhere and anytime.

The Enemy Strikes On The Home Front!!

We will stop all demonstrations which openly give aid and comfort to a damnable enemy which is even now murdering American boys.

I call upon all decent Americans who believe we should still act in the direct and courageous manner of our forefathers, and ATTACK! If you believe, as I do, that we can't keep talking forever--while the enemy marches in our streets by the tens of thousands, flaunting treason in our faces and burning our flag--then join me and the brave young stormtroopers who are already in the streets fighting for you!

Whenever they raise an enemy flag, TEAR IT DOWN!

Whenever they burn an American flag, STOP THEM and teach them a lesson in Americanism.

Whenever they try to terrorize us with arms and weapons, ARM YOURSELVES. Don't sneak around at night with shotguns. Let them see that Americans are not skulkers in the dark, but fighters who are masters of their own streets and protectors of their women and children.

WHITE MAN, quit talking, and FIGHT!

WHITE MAN! STAND AND FIGHT WITH US, OR STAND OUT OF OUR WAY!

A Jewess has been awarded Israel's highest decoration, the solid lead Kosher Cross, with Dingleberry Clusters, for giving birth to the largest Jewish offspring to date, a nine pound nose.

Is there any connection between the latin roots of the words "Negroid" and "Hemeroid"? ...Ans: Yes, they are both words meaning a pain in the same place.

Two San Francisco Jews were locked up in the booby hatch last week. The cop who grabbed them explained to the judge that one Jew was rolling silver dollars down a hill, and the other Jew was catching them, ----and then giving them back.

Communism is a red movement which uses black apes to attack White people, which grows by making some men green with envy of others, and which is succeeding because "conservatives" are too yellow to admit that it is Jewish.

The Jews have finally figured out a way to "take it with them". They are joining the reincarnation church and coming back as their own bankers.

What's yellow and black and the funniest thing in the world? Ans: A nigger school bus going over a cliff.

FAMOUS QUOTATIONS: From Walter Jenkins:
"Bedfellows make strange politics"

How do they take the census in Israel?
Ans: They drop a nickle in the sewer and then count the Jews as they dive in.

Nazi Hatelets

Horst Wessel

Living, Horst Wessel earned the fanatical hatred of our people's enemies. One may judge a man by the kind of friends he has, and who his enemies are. To Horst Wessel's eternal credit, the scum of the earth still carry on their campaign of hatred against him.

Horst Wessel led a courageous band of Storm Troops in a campaign in Berlin against the strongest Red nest in Germany. Within two years, under Horst's inspired leadership, the National Socialists started to overcome the Reds right in their own stronghold. It was his example that inspired his men, time and time again, in the face of death.

Once he leaped on top of a commie barricade during a fierce street battle. While the Reds shot at him, he faced his men and gave a fiery speech from this dangerous position. Inspired by this heroism, his men overran the Red defences and chased the commies off the streets.

Our liberal "lovers of free speech" have tried to prevent you from knowing this truth. This is the heretofore suppressed, true and accurate translation from Hirt's German Reader of The Death of Horst Wessel by Wilfried Bade.

The work of the past three years had severely shaken Horst Wessel's health. The sudden death of his brother tied him to his bed. For a time Horst was on the verge of death himself; however, he finally overcame the fever. It was not his physical strength that overcame the illness, it was his fanatical will not to quit before the day came that Hitler flags would fly over every street. Now the year of 1930 began, he couldn't and wouldn't leave his troops. His mother, sister and comrades implored him not to return to his furnished room on Frankfurt Street, but to let himself be nursed back to health at the quiet parsonage. (Horst's father was a prominent respected cleryman.) Day after day they argued with the slowly recovering Horst Wessel, until he finally submitted to them. For his comrades it was like a stone dropping from their hearts. They knew about the Communists' plans to murder Horst Wessel. For quite a while the troop had, without Horst Wessel's knowledge, posted a special guard around his house. Now they had finally succeeded in removing him from this dangerous position.

Horst Wessel could have stayed home. He would never have had to return to the apartment that belonged to the Communist landlady. His comrades would have brought him the few things that still remained in his room on Frankfurt Street--a few pieces of uniform, several books, some personal belongings. His mother didn't want him to go, neither did his friends. Just as he had refused to take the post at Griefswald, just as he threw to the winds the suggestions that he take a vacation, so he refused to enlist the help of his comrades now. He wanted to bring his belongings home himself.

He decides to go on his errand the afternoon of January 14. His landlady receives him with contempt and glee. He is barely in his room when she runs to the nearest Communist meeting place. Within 15 minutes, criminals, led by a Communist Jewess, are stealthily creeping up the stairs to Horst Wessel's abode. Twice, even these hard-boiled creatures hesitate, and twice the Jewess has to whip them on. Finally the time has come! There is a knock on the door to Horst Wessel's apartment. Guilelessly he bids the knocker to come in, thinking it is one of his comrades. He even opens the door himself. Many shots are fired. Injured from a shot in the mouth, Horst Wessel collapses. His murderers flee to one of their restaurants to celebrate their "victory" with beer and liquor. Horst Wessel, however, is not dead. At the hospital in Friedrichshain, Christian physicians are trying desperately to save his life.

For a full month, the National Socialist Movement fears for the life of Horst Wessel. Once it appears as if death will pass him by; the fever is receding. The injured patient receives his Storm Leader* and comrades. The Communist Party plans another attack: "Horst Wessel must die!"

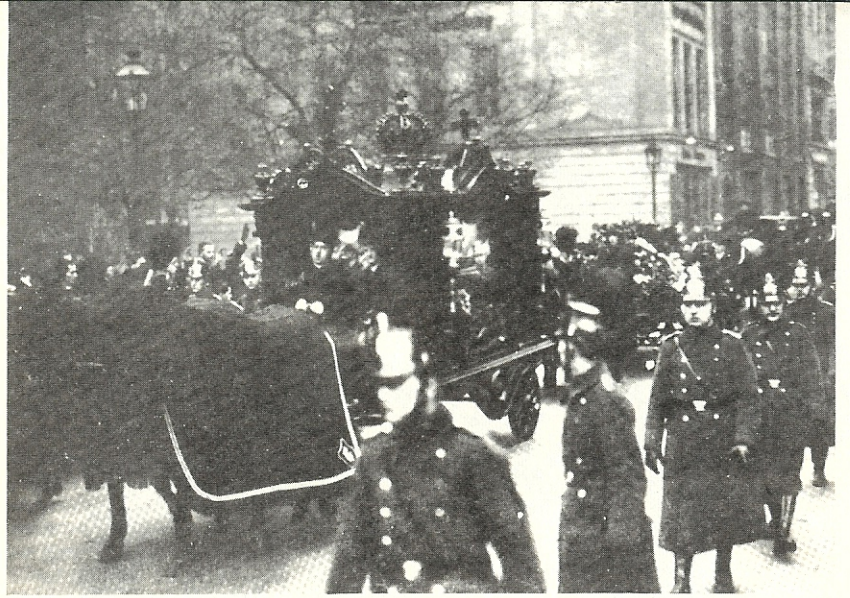
The attack on the hospital is ordered. Someone from the Communists, however, seems to have retained some spark of decency. An anonymous note informs Horst Wessel's nurses of the planned raid. When the Communists go to the attack they are met by Troop #5 in all the floors of the pavillion where the ill Horst Wessel lies. In an embittered 15-minute battle inside the hospital, the Communists are driven back. From that day on, the hospital room of Horst Wessel is under 24-hour S.A. protection.

Their loyalty, however, has no victory over death. Horst Wessel dies on February 23, 1930.

His tragic murder and heroic life captured the heart of his people. All Germany joined spiritually in his funeral procession. Over a million people actually marched in the sorrowing nation's last respects before Horst Wessel's body was laid to rest. They were accompanied by a veritable army of policemen. Even so, the insane hatred of the Reds was so whipped up that Communist snipers fired, time and time again, into the mass of people, at the aged, at women, and at children, in a vain attempt to disrupt the hero's funeral. But nothing stopped the people in their determination to honor their valiant martyr. Even in death his heroic spirit inspired his people on to victory. His spirit lives and inspires us today in the song he left us: RAISE THE BANNER.

---

*The man who replaced Horst Wessel in the dangerous job of Leader of Troop #5 was murdered by the Communists three years, to the day, later. He, Maikowski, had marched, head held high, past Hitler the day he was appointed Chancellor. He and Police Sergeant Zauritz were shot from ambush during the Victory Parade.



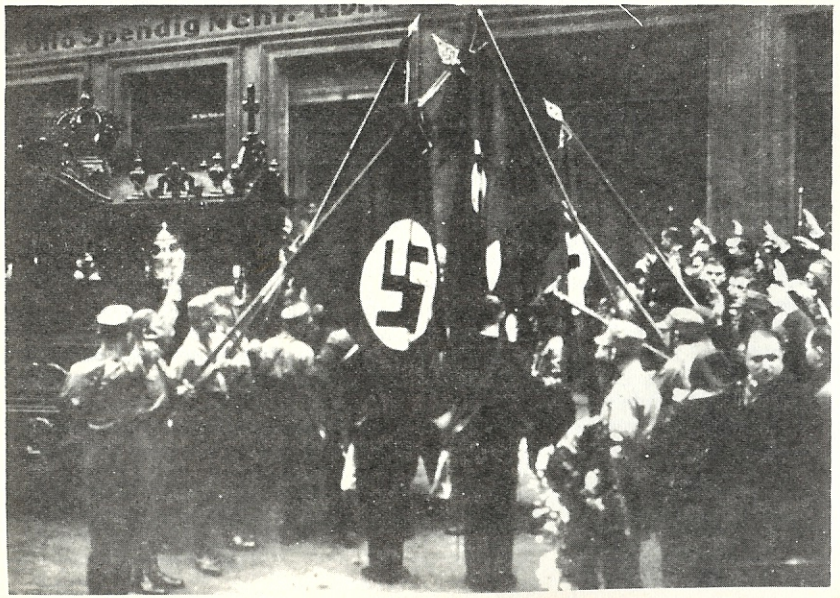
RAISE THE BANNER

We march and fight, to death or on to Victory!

Our might is right, no traitor shall prevail!

Our Hearts are steeled against the fiery gates of Hell!

No shot or shell can still our mighty song!



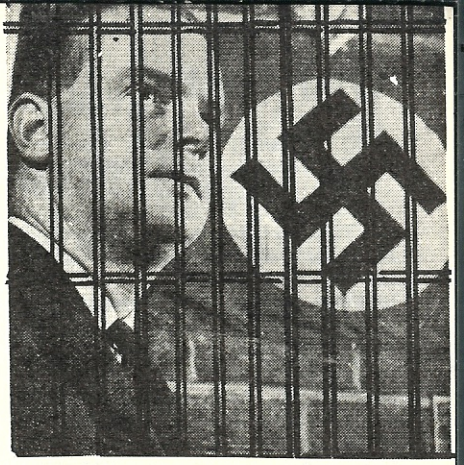
INTERNATIONAL NAZI PROGRESS

Chilean Nazi's

Franz Pfeiffer, Leader of the Partido Nacional-Socialista Obrero, held a large press conference in Santiago on 25 March. The interview was reported by news services in Europe and North America, and received good coverage on local television.

Both PNSO candidates in the 2 April municipal council elections, Maj Madrid and Renan Valdes, made impressive showings. In a close contest, Maj Madrid was edged out by just a handful of votes in Putaendo. Valdes secured approximately 4,000 votes in his race in Santiago.

Colin Jordan Case



Colin Jordan, Leader of the National Socialist Movement in Britain, was visited in Exeter Prison on March 17 by Mr. John D. F. Knight and a small party from the London headquarters. (Knight is a Senior Officer of the NSM during the British Leader's confinement.) Jordan was reported in good spirits, excellent health, and bearing up well to the rigors of imposed political imprisonment. He was convicted earlier this year on a trumped-up charge involving his criticism of Jews and Negroes; and was the first person to be jailed under the anti-Aryan Race Relations Act of 1965.

The British Leader declared in a letter from prison: "Of course, it was a blow, getting not only the conviction, but such a comparatively stiff sentence .... But in case any of our friends feel depressed, let me assure all and sundry that I am in the best of spirits, if anything only more convinced than before of the rightness of our Struggle and the necessity of fighting on, and only waiting for the day I am out and able to continue. I am relying on you and all our friends to keep the flag flying meanwhile."

Mr. Knight reports as follows on the progress of NSM efforts in Jordan's behalf: "Our campaign for the release of Colin Jordan is well under way. A number of our slogans have appeared in prominent places in several towns, and our petition continues to mount. We are soliciting support from a number of organizations ... and, in this respect have had some degree of success ...."

The NSM, in an open letter, has called upon other patriotic British organizations to put aside their differences and unite in demanding Jordan's speedy release. It pointed out: "This unjust incarceration does not only concern the internal well-being of the NSM, but, because of the precedent set by Jordan's case, the very life of all concerned genuinely with the Cause of Race and Nation, be it in "moderation" or "extremity"!

The letter then urges these groups to support the petition campaign for Jordan's release. The petition itself states simply: "We, the undersigned, see the imprisonment of Mr. Colin Jordan, on charges to conspire against the Race Relations Act, 1965, as a gross threat to the basic freedoms of all Britons, in denial of their right to reasonable expression of opinion. We consider the trial to be injudicial, and the sentence to be severe in the extreme, and hereby call for the release of this prisoner." Lined space for printed name, signature and address then follows.

We urge all WUNS Sections, Associates and Members to press for Colin Jordan's early release in all possible ways. Some may wish to organize petition campaigns similar to the one being conducted in Britain. Some may prefer to protest by other methods. The important thing is to act.

The NSM address remains: 74 Princedale Road--London. W. 11.

Germany

Free Rudolf Hess

On April 26 Rudolf Hess spent his 73rd birthday in Spandau Prison. Many National Socialist comrades in the United States and elsewhere sent birthday greetings to Herr Hess as a defiant gesture of protest against the cruel and inhuman treatment being accorded this man by his Four-Power captors. (Similar protest communications may be addressed to: Herrn Rudolf Hess--1 Berlin--Festung Spandau--Germany.)

The Fuehrer's former Deputy entered his 27th year of imprisonment and martyrdom on 10 May. National Socialists around the world are urged to redouble their efforts in demanding his release. Appropriate demonstrations should be directed against the embassies, consulates and other official offices of those responsible for Hess' continued confinement: the United States, Great Britain, France and the Soviet Union --as well as an acquiescent West Germany. Every conceivable medium should be exploited to publicize and dramatize the fate of National Socialism's greatest Living Martyr.

Denmark

Sven Salicath, Leader of the Dansk National-Sosialistiske Arbejder Parti, has spoken in recent months to hundreds of interested students in overflow assemblies at the following Danish schools: Herlufsholm Skole, Sorø Akademi Skole and Naestved Gymnasium.

from other Headquarters

April 16, Kenosha, Wisc. T/L Catalano successfully led 10 local Nazis in a picket protesting the appearance of James Meredith. There were no incidents and Nazis gained substantial local support.

NAPALM

When the White, Christian, anti-Communist Germans were the enemy, the Jews couldn't think of enough ways to slaughter and torture them, including the women and children. In defenseless, unmilitary Dresden, for instance, we burned to death more than a quarter of a million women and children, refugees from the Soviet savages, with all-out bombing, followed by a fire-storm.

But now that the enemy is colored and Communist, the Jews are leading peace parades, and demanding the end of our napalm attacks in Vietnam.

Napalm is manufactured at the Witco Chemical plant in Stickney, Illinois, near Chicago.

On April 8, 1967 the peacenik Reds planned a march and attack against the napalm factory.

Captain Vidnjevich led a detachment of Chicago Stormtroopers against these traitors.

First the scummy Reds canceled their march plans and tried screaming their rotten attacks on our G.I.'s.

They never got to open their filthy mouths.

When they saw the stormtroop detachment moving up, some of the yellow commies jumped in their cars. Others tried to jump our men.

After the battle, Stormtrooper Don Borsch was arrested for "Battery".

The crowd of Americans were overjoyed to see our Nazis DOING something beside talk about this treason, and helped put a stop to the Red attack.

They won't try it again in Stickney.

Stormtroopers Smash Red Parade in Chicago

National Socialist activists, led by Capt. Chris Vidnjevich, successfully disrupted two recent "peace creep" demonstrations here.

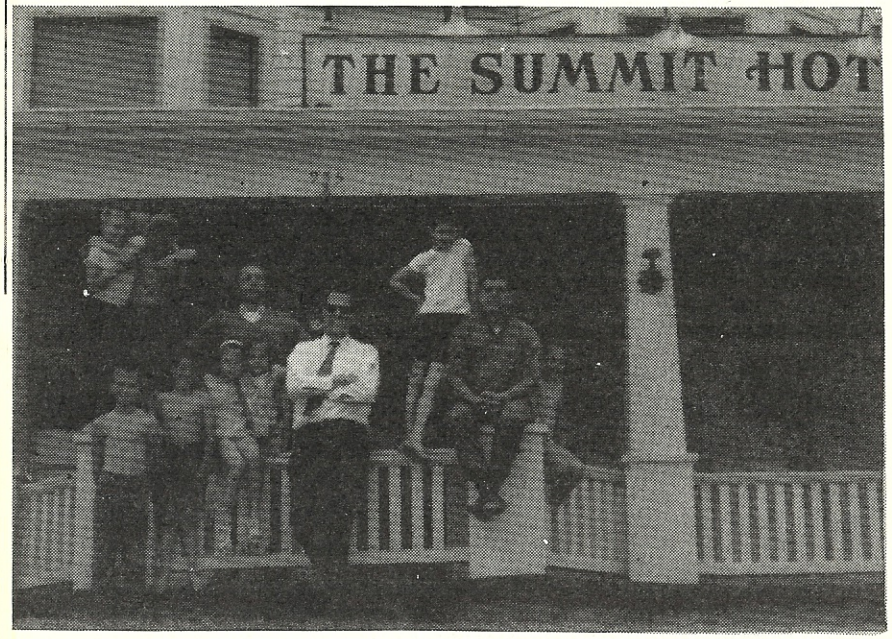
On March 25 Capt. Vidnjevich and three other members, joined by about 20 local sympathizers, grabbed and threw into the Chicago River nearly 300 placards carried by anti-Vietnam marchers as they came across the State Street Bridge.

Some of the cruds, led by Martin Luther Coon, tried to stop us from seizing their treason signs.

A gang of Jews attacked tiny Mike Stewart, only 5'1" and baby-faced. Captain Vidnjevich, busy fighting another Jew, saw that Mike was in serious trouble. He grabbed a TV cameraman and pushed him over to the pile beating on Mike. "Quit hitting that little kid!" hollered Chris to the gang of Jews, who turned and saw the TV cameras grinding away as they pounded little Mike. They slunk away like the rats they are. Most of the commies had to march without signs that day, because 300 of them were floating in the Chicago river, where we threw them.

Commander Visits "Summit"

While crossing the Rockies on a recent tour of the nation, the Commander, accompanied by his staff, stopped in Manitou Springs, Colorado to visit Billy James Hargis' famous Summit Hotel. After a patriotic visit the Commander posed with some of the children who attend school, and signed autographs and copies of his book, "This Time The World".



Iowa

April 14, Iowa City, Iowa; George Cranford, Tri-City Nazi representative, organized and paid for a counter-rally at Iowa University against a Red Vietnam rally led by a Jew. Chris Vidnjevich brought our Chicago contingent down to beef up the Iowa branch.

As soon as the local people found they had some leadership, they joined our people in drowning out the Red scum, and the Jew leader got hysterical.

More than a thousand local citizens rallied behind Nazi leadership and made a shambles of the Red rally.

The crowd demanded a Nazi speaker, so Capt. Vidnjevich obliged and mounted the stump hurriedly abandoned by the Jew.

The crowd went wild with enthusiasm when Capt. Vidnjevich told them that America has had enough treason and commie arrogance. Almost every few words, Chris had to stop and wait for the cheering to die down before he could continue.

Iowa Jews, commies and nigger hell-raisers won't forget the American Nazi Party for a long time.

NIGGERCULTURE

Origin of Famous Nigger Literary Term

Many people are bigoted and prejudiced about Negroes, and fail to appreciate all the contributions these wonderful black people have made to our culture.

They have enriched our language with many new and expressive words.

Their greatest achievement in vocabulary building came about in Africa, when a famous chief of the Boolaboolas was cooking his mother one evening, and decided to test to see if she had gotten tender enough yet. He stuck a fork into her here and there.

When the other cannibals saw the old chief moving around the stew pot carefully forking his mother, they conferred upon him an honorary title which is often used in nigger society even in these enlightened days.

The old chief is gone, but his spirit lives on in his honorary title. To this day, in nigger literary circles, you will hear the colored brothers and sisters referring to each other and to White people by the honorary title conferred so long ago on the old cannibal chief, "Mother Forker"

Cover Story

The cover of this issue of the Stormtrooper is our first "four color process" work.

"Four color process" usually means that the cover goes through the press FOUR times for one side, and then once or twice for the other side. There's a yellow run, then the red, then the blue, then the black, then the colors on the other side.

But to get the special effect of gloss and super blackness on the top which we wanted, we put it through the press SIX times.

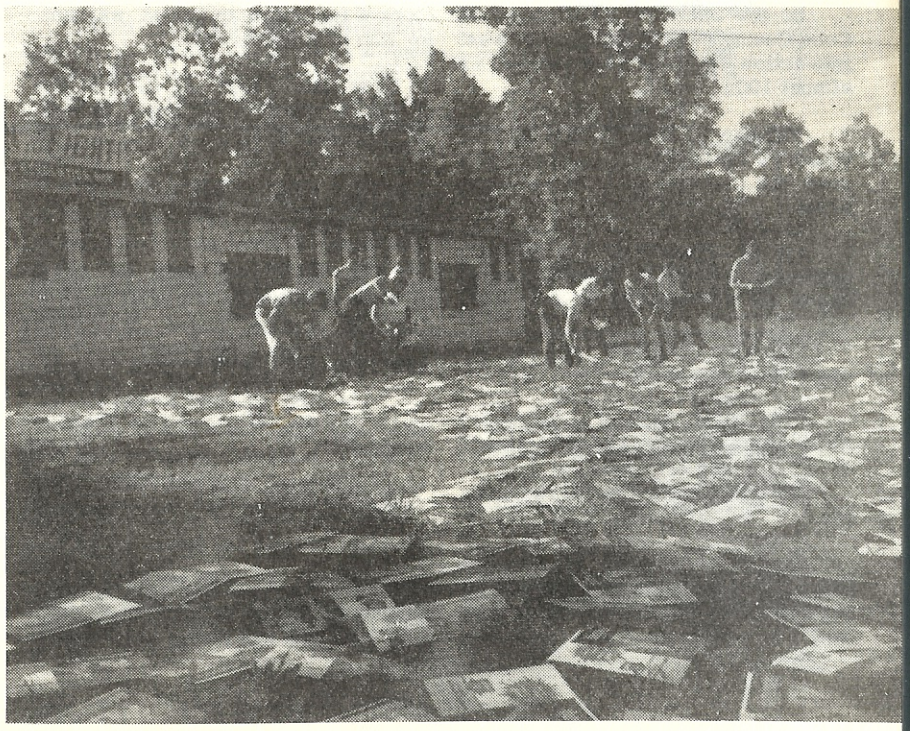
Not only that, but we poured the ink on so heavily to get a really first class black, without the usual expensive equipment, that if we let them pile up in the receiving end of the press the way they usually do, the black from the front of one cover would have "offset" onto the back of the next.

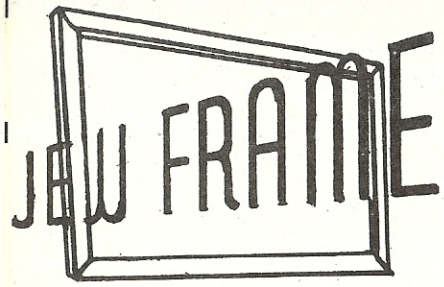
They had to be snatched from the flying press, one by one--TWENTY THOUSAND OF THEM--and individually laid out in the sun to dry.

To do this, for three solid days, we had twelve men at the printing plant, one seizing the pieces as they came out of the press, handing them to a chain of men who passed them out a window, where other men seized them and ran them all over the front lawn of the plant--in 90 degree temperature!

Our reward was to hear some printers who hate the Party discussing our new cover: "They must have paid a fortune to get this printed some place!", one said. "Yeah", replied the other, "they could NEVER do it on their dinky machines!"

The world has yet to learn what can be done by Nazi WILL and ingenuity! This cover is a good example!





For the first time in nine years of battle, the enemy has been able to get a jury to convict the Commander.

To do it, the Jews had to do some lying and perjuring which was amazing even for them.

Last summer in Chicago, tens of thousands of White working people gratefully followed the Commander's leadership in fighting the Black scum invasions of White neighborhoods. At a giant rally in Marquette Park, he announced a march on the niggers.

The Jews went crazy. The Jew Communists in the Communist Worker newspaper demanded the march be stopped. The Jew War Veterans demanded the same thing.

So the Sheriff's Department of Cook County, where Chicago is, went into action. We later learned it is almost 100% Jewish.

The sheriff himself went on national TV on August 22 and threatened the Commander with instant arrest.

"If he comes to Cook County", said the sheriff on national TV, "he'll be arrested on sight!"

"On what charges?" the reporters asked the sheriff.

"Oh, we'll think of something!" this nigger-loving sheriff replied!

This was in the New York Times too.

There was no threat to arrest Martin Luther King, although this jig had torn up Chicago by the roots with one riot after the other. Actually, threatening to arrest people on sight, and then thinking up the charges later, is a federal crime.

But the sheriff wasn't arrested or bothered, of course.

If he had threatened Marty Coon or Gus Hall, you can be sure that the whole country would have been in an uproar until the sheriff apologized.

But the Commander couldn't allow this threat to hang over his head when he had a big march on the niggers set for September 10.

The only way to get that threat of instant arrest off his back was for the Commander to be "sighted" by the sheriff. If he was arrested, then he would have to get bailed out and fight the case in the courts. If he wasn't, then the sheriff would have been shown up for the loud mouth bully he is.

So on August 29, at 10 a.m., the Commander went up to the sheriff's office in Chicago, and asked the clerk if there was an arrest warrant for him by the sheriff.

The clerk said no, but that he should go down the counter to see "Mr. Goldberg".

When the Commander asked Goldberg the same question, he was told to "wait".

Then the sheriff came out, surrounded by deputies Finkbinder, Goldberg, Holzer, Singer, Magars and some others--all Jews!

"Are you George Lincoln Rockwell?" the sheriff asked the Commander.

"Yes, sir."

"Did you call the press here?"

The Commander said he had, because he did not want to have this happen without any public knowledge, because the sheriff might pull something--which actually proved to be the case.

"You're under arrest!" snapped the sheriff.

"What for?"

"Disorderly conduct! Handcuff him!" ordered the sheriff, and the Commander was dragged into a cell, searched, pushed and pulled back and forth between the Jews.

They kept him more than EIGHT hours, without a phone call, while the sheriff and the Jews were "thinking up" the charges--as the sheriff had said he would do.

Even after he was bailed out, one Jew deputy had him illegally seized a second time and thrown in an especially vile dungeon without water or facilities.

The trial was like something out of a Russian novel.

They dragged the Commander more than twenty miles out to a Jewish section of Chicago, hoping to have an all-Hebe jury. Finally we got it moved back to where it should have been in the first place, Chicago.

The trial was before a judge who always gives us maximum sentences, along with raving lectures about how evil we are, although he usually gives niggers and criminals probation, etc.

The judge wouldn't let the jury hear any of our evidence.

Just to show you how they kept the jury ignorant, here's a sample of what we had and they wouldn't allow the jury to hear or even know about:

A moment after the Commander was arrested and dragged out, a reporter named Tom Sheridan for Radio Station WCFL poked a microphone at the sheriff and asked what had happened. We subpoenaed the reporter and the tape of the broadcast he made, and the reporter swore under oath that it was correct and complete. Here is the actual transcript of what was on that tape which the sheriff made right after the arrest:

Sheridan: "Sheriff Richard B. Ogilvie had boasted that he would arrest Nazi Commandant George Lincoln Rockwell on sight. So Rockwell obliged and went down to Ogilvie's office in the Civil Center. Ogilvie described the confrontation:

Ogilvie: 'It was short and sweet. He identified himself; I asked him if he had called the press here for some kind of meeting he apparently had in mind; he said he did, and I had him arrested for disorderly conduct.' "

The Jewish Sentinal of Chicago also wrote an article about the arrest, which is very revealing. We subpoenaed the editor and writer, and once again, the judge wouldn't let the jury know the facts. You be the judge after you read these articles by the Jews!

We could go on and on and on with all the outrages of that trial, in which the enemy witnesses, with the exception of the sheriff, were all Jews--but we were never allowed to mention this to the jury, although the prosecution harped on us being "Nazis" over and over.

Sheriff Ogilvie Arrests Rockwell; Jewish Aides Process Booking, Attend Niles Hearing

By BOB GALE

Sheriff Richard B. Ogilvie's recent arrest of George Lincoln Rockwell was not without a few subtle ironies, The SENTINEL learned this week.

The sheriff had boasted that he would arrest Rockwell "on sight." When the self-styled feuhrer of the American Nazi Party appeared at the office of the sheriff in the new Civic Center and asked "what does the sheriff want from me?" he was told by an information clerk that the next clerk would be glad to accommodate him.

Abe Goldberg, the clerk, summoned Sheriff Ogilvie who promptly arrested Rockwell and turned him over to Sheriff's Police Sgt. Bernard Singer.

Rockwell was taken to the Niles station (not far from Skokie) for fingerprinting, booking and "mugging." There, at his hearing, was Reginald J. Holzer, administrative legal assistant to the sheriff and president of Temple Beth El in Chicago, to represent the sheriff.

Rockwell was placed on a $200.00 bail bond. This was paid, and as Rockwell's attorney Charles Falkenberg accompanied him from the station, Falkenberg muttered that there was "nothing but Jews."

Rockwell did not make an expected appearance at the Cicero march last Sunday, but there were several signs which read "White Power" with the swastika painted on. If Rockwell gets a permit, he plans to march into Negro neighborhoods on Sunday, Sept. 10.

According to Holzer, "Sheriff Ogilvie will be there to arrest him again, and again and again, until he stops coming to Chicago." Incidentally, the sheriff is non-Jewish but his hate for Nazis stems from his World War II action, during which he was wounded in combat with the Germans.

Members of the American Nazi Party and the Ku Klux Klan, some of them carrying swastika emblems, were prevented by National Guardsmen from entering Cicero, Ill., this week. They had tried to sneak into the Chicago suburb from the adjoining suburb of Berwyn, during a march by civil rights demonstrators. Both groups had been ordered to keep out of Cicero after they were charged with seeking to inflame an already tense situation between white residents and civil rights advocates.

Maj. Gen. Frances P. Kane, commander of the 33rd Division, Illinois National Guard, said that he and his men would be alert to any attempt by these groups to make trouble.

The man named Holzer, the sheriff's legal aide, has since been elected a judge of the very court which was trying the Commander!

The Commander had a lie detector test performed on himself by the greatest expert in the field, the man who INVENTED the lie detector test, John E. Ried.

The jury was not allowed to know that the Commander even took the test, although he passed it with flying colors.

It should be mentioned that the Commander had had to have a free, court-appointed lawyer, who actually was drunk on the last day of the trial, and wound up his speech to the jury by telling them that the Commander, in effect had DONE what the prosecution claimed. Believe it or not, he actually finished up by shouting at the jury that he wanted them to go back to the jury room and find the Commander "GUILTY"!!!!

Continued . . . p. 36

SUPRESSED EVIDENCE

During the trial in Chicago, the Commander presented the actual tapes of newsbroadcasts made on the scene by WCFL reporter Tom Sheridan. The tapes, which were subpoenaed from the station, contain the following broadcasts:

Sheridan: "On the activities of the Ku Klux Klan and the American Nazi Party, Ogilvie has taken a stern stand. . . .

Ogilvie: 'Well, if you're referring to this Rockwell person or any of this . . . any of these groups of extremists or young punks that have been creating the problems, they will be arrested promptly if they come within our jurisdiction.'

Sheridan: On what basis?

Ogilvie: 'We have several available, Incitement to Riot is certainly one.'

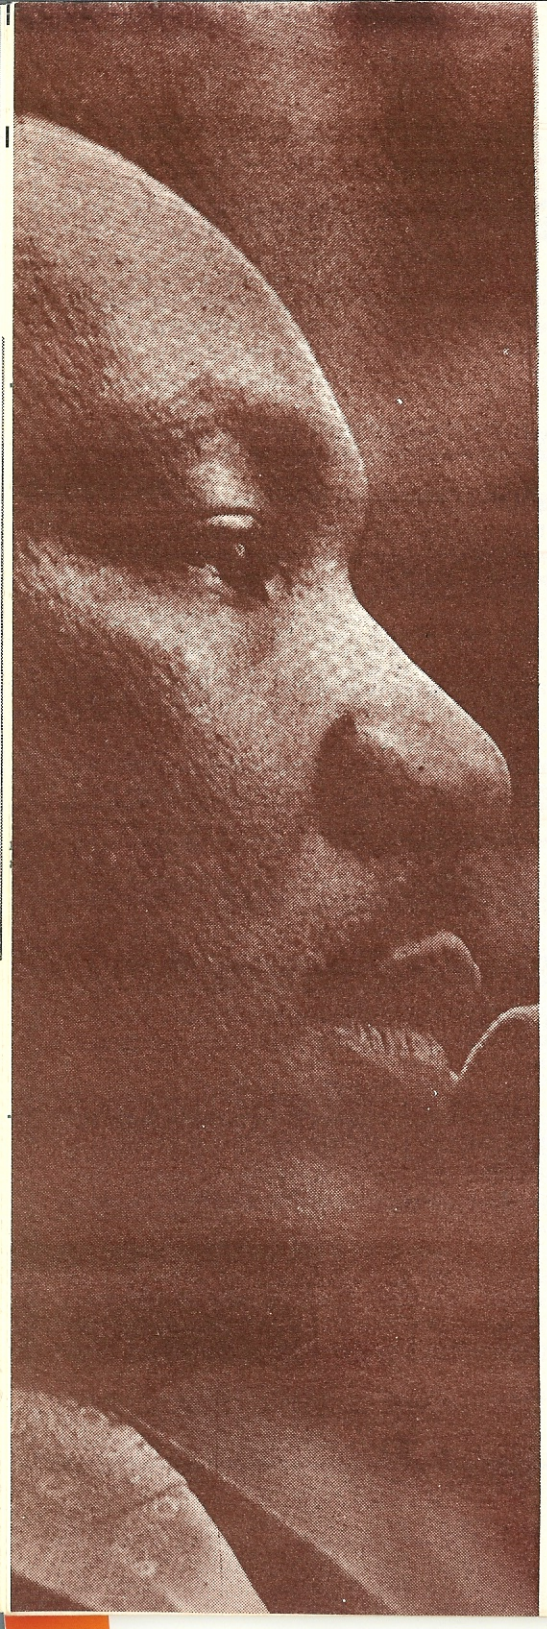
Sheridan: An ultimatum from Sheriff Ogilvie. Tom Sheridan, WCFL News, Civil Center."

And here's a broadcast he made in which Ogilvie reported what happened in the sheriff's office, moments after the event:

Sheridan: "Cook County Sheriff Richard Ogilvie has stated he would arrest American Nazi Party commandant George Lincoln Rockwell on sight. So Rockwell obliged and walked into Ogilvie's Civic Center office. Ogilvie described the confrontation:

Ogilvie: 'It was rather short and sweet. He--uh--identified himself. I asked him if he'd called the press to appear here to apparently cover some kind of a meeting he had in mind. He said that he did and I had him arrested for disorderly conduct.' "

THE JUDGE WOULD NOT ALLOW THE JURY TO HEAR EITHER OF THOSE BROADCASTS, EVEN THOUGH THE REPORTER ADMITTED THEY WERE GENUINE, UNDER OATH!



CAN I AWAKEN?

Am I in Hell ..... some strange land where everything is upside-down?

What is this dark and obscene face of Africa held up before me as my ideal?

In those muddy eyes lurk all the darkness and cruelty of bloody, black Africa, all the savage ignorance, stupidity, superstition and stench of the only animal in all creation which is, by nature, dirty and shiftless.

The gorilla-nostrils, black holes in a black face.

The obscene blubbery-lips sprouting black hair so that the whole appears as what decent men cover.

Is THIS my "brother", is this "ME" I see?

Am I so sunk in decay and ugliness that I am to call this disgusting thing an "equal"?

Is this mumbling ape my teacher of "peace", the savior of my people, sent to lead the White man toward a brown and mongrel future?

God forbid that I am awake and fully conscious, if this be so!

No, it is some nightmare world into which I have awakened falsely.

On the opposite hand from this black thing I see the incarnation of all I admire, a young White Man, full of strength, idealism, manly courage, loyalty and God-given creativeness.

Surely this must be the very model of all my people, all nations and all men.

But no! No, this man is reviled of all men. Nowhere is there a kind word for him.

He is a "NAZI"--a Stormtrooper! A German "enemy", a preacher of the "master race"!

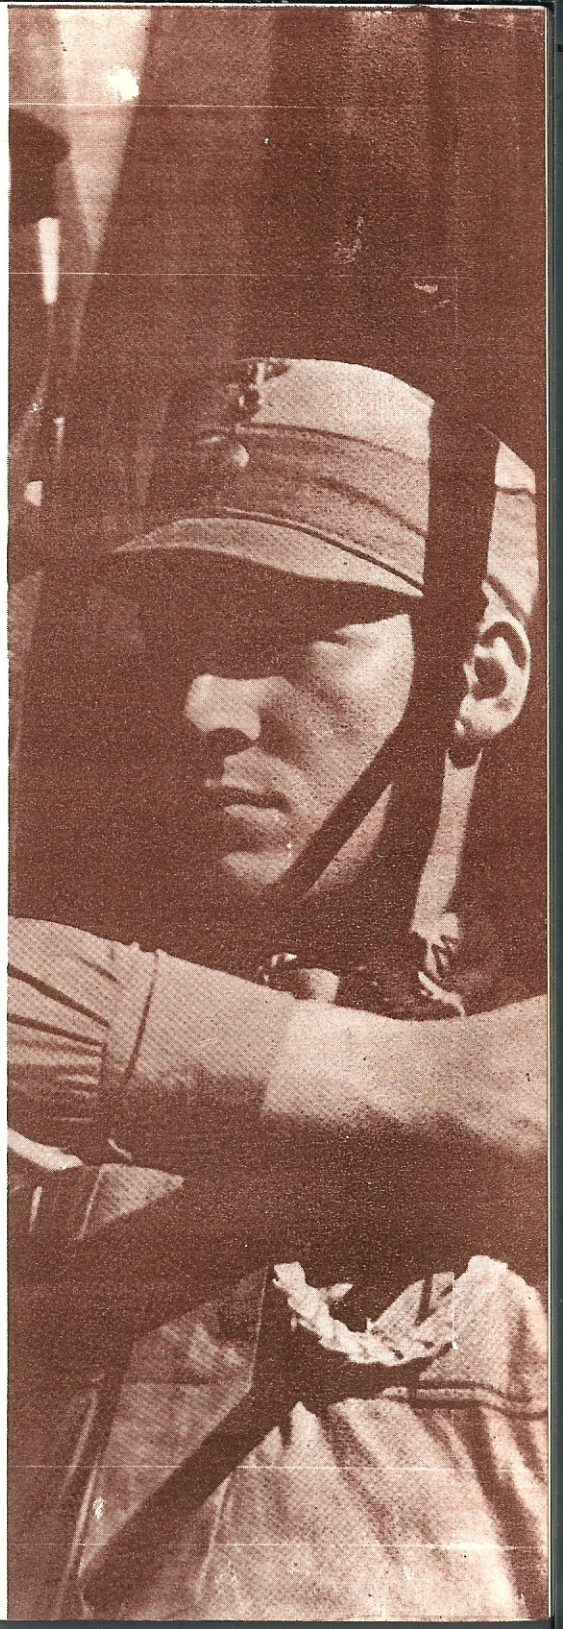
This man is no "enemy"--for I have seen him in Minnesota striding into the forest with his ax; the same strength, courage, loyalty and great spirit.

have seen him in Mississippi, wearing a Klan robe.

I have seen him in South Africa, Rhodesia, New Guinea, Iceland, everywhere, building, organizing, producing and creating.

I helped slaughter millions of these men because the Jews told me the Germans believe the White Race was "better" than other races! They were German "Nazis".

Continued p. 53



Unbelievable but TRUE!

They did find the Commander guilty, and the judge gave him the maximum sentence of $500 fine for disorderly, the maximum of ten days in jail for criminal trespassing, and all he could get away with on "obstructing a peace officer"--three months in the worst nigger prison in the area (the Bridewell, a 125-year-old Civil War horror where Confederate soldiers suffered.

The Commander is now trying to organize an appeal to stay out of that jail.

It is not the time we all worry about. It is the fact that Bridewell is packed with the wildest Mau Mau niggers in tough Chicago, and the Commander won't have much chance of coming out of there alive.

As we left the courthouse after the sentencing, the Jews and niggers were gloating that they'd "get" him in that foul nigger hell.

Now the battle begins in the appeal court, and we urge every White man and woman to do his utmost to help.

Rockwell's Arrest

George Lincoln Rockwell, leader of what he calls the American Nazi party, is not a candidate in our book for winner of any popularity contest. He is a rabble-rouser and a hate-monger, and whenever he undertakes to stir up a riot he ought to be taken out of circulation.

But his recent arrest in Cook county is too flagrant a violation of his (or anyone's) rights to be ignored.

As Rockwell tells the story, he was listening to a newscast in his Arlington home when he heard that Sheriff Richard Ogilvie had announced that he would arrest the Nazi leader on sight. So Rockwell hopped a plane to Chicago and presented himself at the sheriff's office. The ensuing exchange with Ogilvie went like this:

"Are you George Lincoln Rockwell?"

"Yes, I am."

Ogilvie turned to a bailiff and said: "Arrest this man."

"On what charge, Mr. Sheriff?"

With that, Rockwell was handcuffed and jailed. The sheriff returned to his office, and when he was asked by reporters in what respect Rockwell had been disorderly, the sheriff replied: "We'll let the courts decide that."

Sheriff Ogilvie, we think, has let himself be played for a sucker. Under the circumstances, the arrest of Rockwell was not only stupid; it was plainly illegal. Certainly no court will sustain it. But it will give Rockwell something to talk about the next time he mounts the stump.

Sheriff Asks Dr. King to Call Off Cicero March

But Integration Leader Says He Won't Cancel Plans

By DONALD JANSON
Special to The New York Times

CHICAGO, Aug. 22 — The sheriff of Cook County urged the Rev. Dr. Martin Luther King Jr. today to call off a march for open housing in suburban Cicero, scheduled for next Sunday.

If Dr.King carries out the plan, Sheriff Richard B. Ogilvie told a news conference, the reaction "will make Gage Park look like a tea party."

Violence that met civil rights marchers recently in Gage Park was the worst encountered in a series of demonstrations against housing bias in Chicago neighborhoods. Marchers were stoned, and their cars were overturned and burned.

[In Atlanta, Dr. King said he did not plan to call off the march, The Associated Press reported.]

all-white, middle-class suburb, at the sites of all announced marches. He said Cicero would be no exception.

He said that if George Lincoln Rockwell, head of the American Nazi party, who came to Chicago and harangued an anti-Negro white crowd in Marquette Park yesterday, should appear in any part of suburban Cook County "he will be arrested on sight."

Asked on what charge, he said, "I'll think of something."

Another inflammatory speaker in Marquette Park yesterday was Evan Lewis, who appeared in hood and robe and identified himself as an imperial ambassador of the Grand Knights of the Ku Klux Klan from Akron, Ohio. He was fined $200 today for holding a rally without a permit.

LABORATORY REPORT

April 24, 1967

On April 21, 1967 George Lincoln Rockwell voluntarily came into this laboratory for a polygraph examination to investigate whether or not he had been ordered by Sheriff Richard Ogilvie or anyone else in the Sheriff's Office to leave his office; whether or not he refused to leave the Sheriff's Office; and whether or not he had demanded to be arrested rather than leave the Sheriff's Office in August of 1966.

Before the test the subject signed a form releasing John E. Reid and Associates of any liability which may result from the polygraph examination. The executed form release is incorporated as part of our laboratory file in this case.

There were no significant emotional disturbances indicative of deception on this subject's polygraph records on the following listed questions:

(1) Were you ordered by anyone to leave the Sheriff's (Ogilvie) Office? Answer: No.

(2) In August did Sheriff Richard Ogilvie order you to leave his office? Answer: No.

(3) While you were in Sheriff Richard Ogilvie's Office did you demand to be arrested? Answer: No.

(4) Did you say, "I would not leave the Sheriff's (Ogilvie) office till I was arrested?" Answer: No.

It is the opinion of the examiner, based on this subject's polygraph records, that he is telling the truth on the previously listed questions.

American Nazis in the Armed Forces

Now serving with the United States Army, NATO force, is P.F.C. Bobby Lee Pace. P.F.C. Pace entered in June 1966, took basic training at Fort Polk, La., and was then assigned to Fort Sam Houston, Texas for a 10-week medical training course. He is now serving the remainder of his hitch in an 18-month tour of duty in Europe.

As a show of National Socialist pride and determination, P.F.C. Pace graduated at the top of his company in basic (92 points out of 100) and also in the top of his class at Fort Sam Houston (884 of a possible 1,000). He holds a sharpshooter's badge for the M-14 rifle and the national defense service ribbon. But above all, Private Pace has kept a spotless military record, which has much to say for the training and discipline of the Stormtrooper Section at A.N.P. National Headquarters in Arlington.

P.F.C. Pace, a native of Nacogdoches, Texas, joined the Party on his 18th birthday and later spent 16-1/2 months in the Stormtroop Section at Arlington. Rising to the rank of Group Leader, he participated in Commander Rockwell's campaign for Governor, and has been awarded the mission medal, Virginia Campaign Medal, and three letters of commendation from the Party.

In the spring of 1966, he was transferred to the A.N.P. unit in Dallas. While having a short visit with his family, he received his draft notice. But in his own words, "I am proud to fight for America, both in the uniform of a soldier, and of a Stormtrooper. Too many young men nowadays think that to serve a few years in the service is too much to be asked of them. I am glad to say that as a combat aidman, I will be helping to save the lives of those who are wounded in the fight against Communism in South-East Asia."

Quotes from ADOLF HITLER

It is necessary that I should die for my people, but my spirit will rise from the grave and the world will know I was right!

"What to many people may seem an obstacle today is in reality the first essential to our victory. The very magnitude and the difficulties of our task offer the probability that only the best warriors will join the battle. And this very winnowing is a guarantee of success."

"Everything we admire on this earth today--science and art, industry and invention--is the creative product of but a few peoples, and perhaps originally of one race. Upon them the subsistence of this whole civilization depends. If they are destroyed, the beauty of this earth will be buried with them."

"Jewry has always been a people with definite racial characteristics, and never a religion; only the matter of its advancement caused it early to seek a means to distract inconvenient attention from its members."

"Hence today I believe that I am acting in accordance with the will of the Almighty Creator: by defending myself against the Jew, I am fighting for the work of the Lord."

HOT SUMMER AHEAD

With summer coming, the Commies are in the ghettos stirring up the niggers with various anti-White literature and preaching Marxist degenerative doctrines.

The niggers and Commies promise us a long hot summer this year, but the American Nazi Party is also preparing to combat the scum that will infest the streets of America.

Just as in Chicago last year, the American Nazi Party will be on hand to lead the White people wherever the black scum decide to kill, rape and loot. "Burn, baby, burn!" is the cry of these savages. "White Man Fight" is the cry of American Nazis.

America can no longer permit the Commie-led black scum to terrorize our White women and children. We must now take up the offensive.

TERRORISM

the only answer to TERRORISM

For the last 10 years, nigger mobs have been terrorizing White people. Niggers have been attacking our women in the streets, in subways, in offices--even in church. Our kids in school are shaken down by nigger bullies. Niggers tie up traffic. Niggers stop construction projects. Niggers block the doorways to businesses, urinate on restaurant tables and use their filthy language in front of our women and children. Now they're openly arming and drilling as private armies. The cover of Life magazine, recently, showed a herd of these black apes drilling in military formation.

The same crew of Black terrorists (the Black Panthers) invaded the California legislature with loaded shotguns, rifles and revolvers. They got away with it.

Once before in America during "reconstruction", these arrogant Blacks got too big for their breeches and terrorized the U. S. South.

The Whites took it only so long.

Then they rose up and STOPPED it.

They didn't stop it with petitions, talk, preaching or the Constitution.

They were being terrorized, not talked about or written about.

They stopped it by SUPERIOR terror.

In those days, niggers were fresh from the jungles. Almost all of them believed in hants and voodoo.

So our grandaddies put on white sheets, hoods with eye-slits, and went out with rope, whip and gun. It scared the stupid Black animals out of their dim wits.

Within a matter of months, they had stopped the nigger attacks, bullying and rapes of Southern women.

But that was a hundred years ago.

Try putting on a sheet and marching down the main street of the nigger section of Detroit today. Or try the bed-sheet bit in the jig section of Watts, Southside Chicago, or any of the big city nigger-towns. A bed-sheet in Harlem is a JOKE.

AFTER the niggers finish laughing, they will tear off the sheets--and the arms and legs of the wearer.

Putting on a suit of knightly armor was great stuff, in the middle ages. But anybody who showed up with a suit of knight's armor in a paratroop outfit today would be a laughing stock.

Tactics and weapons which were deadly a hundred years ago are not always deadly today.

We need to HORRIFY the niggers today, but bed-sheets won't do it any more.

There IS one thing, however, which inspires SHEER TERROR, not only in niggers, but most people.

Ask Hell's Angels.

If you don't believe it, just observe the effect when a hundred motorcycles roar into any town.

Last year I organized 23 rough characters from the Boston area for a "bike" ride from Boston to Portland, Maine, and return. I led the column in a Lincoln Continental convertible, with swastika pennants snapping on fender posts and armed stormtroopers, with arms akimbo, fore and aft.

The effect of only 23 "bikes" roaring through town after town was ELECTRIC! The young people especially were struck by the awesome power and force you can HEAR in the aggressive roar of a big "bike".

A hundred fighting White Men on heavy motorcycles roaring into a nigger demonstration have POWER, the FORCE, the TERROR of a galloping troop of mounted Klansmen a hundred years ago.

THE MOTORCYCLE IS THE MODERN "HORSE".

The motorcycle rider is the modern Western, he-man "cowboy".

So far, the "bike" clubs have all been non-political, and just to raise hell.

The country is full of hard-fighting, hard-drinking, two-fisted WHITE MEN who are presently wasting their force and strength on pointless motorcycle "runs" to horrify the "citizens" and have a ball.

In Oakland, California, I have set up the machinery to gather up some of that enormous FORCE, clean up some of the degeneracy prevalent in some clubs, ORGANIZE these brave fighters into the modern form of the "Klan".

Mike Brown has already established the nucleus of eight riders and about 20 other lads who are working toward their own machines.

Each man has proved his raw guts, both in the attack on the Red parade in San Francisco and the armed show-down with the Black Panthers.

If you have had enough of nigger terrorism of our people, if you want to do something beside talk about it, if you have the GUTS to do some FIGHTING, and if you want to do it mounted on a fast, chopped-down Harley--contact Mike Brown, Box 986, San Leandro, California.

Use the coupon on the back of this magazine.

We're not going to break any laws or terrorize innocent people. But we mean to be ready to put the fear of God into these nigger hell-raisers the next time they overwhelm police forces and terrorize White people.

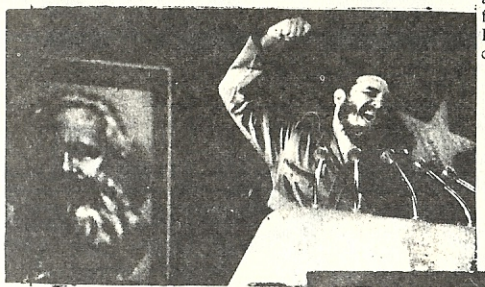
REDs USE BLACKs TO DESTROY U.S.

Way back in 1912, Britain's leading Communist, Israel Cohen, in his book, "A Racial Program for the 20th Century", made the strategy clear. (This statement was printed in an exposure by the U.S. Congress, Congressional Record, June 7, 1957, p. 8559.) Mr. Cohen wrote:

"We must realize that our party's most powerful weapon is racial tension. By propounding into the consciousness of the dark races that for centuries they have been oppressed by the whites, we can mou them to the program of the Communist Party. In America we will aim for subtle victory. While inflaming the Negro minority against the whites, we will endeavor to instill in the whites a guilt complex for their exploitation of the Negroes. We will aid the Negroes to rise to prominence in every walk of life, in the professions and in the world of sports and entertainment. With this prestige, the Negro will be able to intermarry with the whites and begin a process which will deliver America to our cause."

Hate from Cuba



Robert Williams, "The Voice of Free Dixie," broadcast programs from Havana urging U. S. Negroes to violent revolution.

"It is your Marxist duty to exterminate the white devil ruling class - to the last man woman& child!"

Williams was the object of a nationwide manhunt when indicted by a North Carolina grand jury for kidnapping in 1961. He fled to Cuba via Canada, and has for more than three years toiled for the Castro regime. His "Radio Free Dixie" broadcasts are beamed to this country by the powerful Czech-built transmitters of Radio Havana. The fiery talks urge violent revolution by U.S. Negroes.

God forgive me!

And millions of my fellows helped in the slaughter, and I saw them die, because the Jews convinced us that this man was our "enemy" while the black thing named "King", along with his bow-legged, hook-nosed Jew sponsor were our "brothers" and "fellow Americans".

God forgive all of us! We obeyed the Jews, served the Blacks, and slaughtered our own Christian, racist brothers!

And now for our reward, we are owned by the Jews who sent us forth to die.

We give our lovely White girls to the African creatures.

In this nightmare, our real heroes are defamed and degraded every day as "haters", "bigots", "Huns", fascists and finally "Nazis".

And our mortal enemies are paraded before us as "heroes"--for betraying us to apes and snakes.

Everything is upside-down, backwards, inverted, crazy--horrible! Horrible! Horrible!

But you can't!

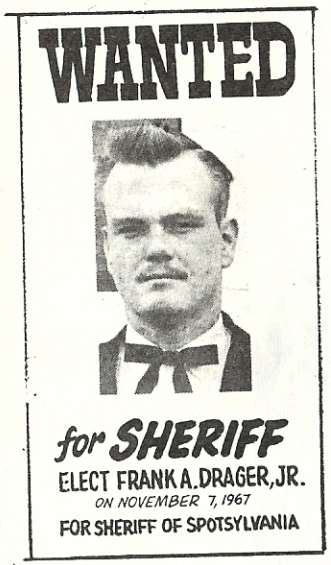
The only thing you can do is WAKE UP.

But can you do that?

Spotsylvania Unit Marches on

During the first meeting of the newly organized Spotsylvania, Virginia unit, Lt. Drager announced his candidacy for Sheriff of that county. The announced candidacy has caused widespread publicity and in itself has been the biggest factor attributed tc the many recent successes of the new unit.

Lt. Bruce, the Campaign Secretary, has acquired the necessary petitions to have Frank Drager placed on the ballet and is presently getting the necessary signatures. The petitions would be filed within the next several weeks or as time is allotted and the "Drager for Sheriff Campaign" will be officially opened.



The people of Spotsylvania County seem to be exceptionally interested in the National Socialist White People's Party and Lt. Drager's chances of winning are excellent. Already the Campaign Committee has published a variety of literature for the election, which will be November 7, 1967.

County Gets Offer From Nazis

The American Nazi party extended a sort of informal application last night to become Spotsylvania County's official printer.

Attending a meeting of the County Board of Supervisors, a man who identified himself as Lt. Frank Drager, second in command of the Nazis' national printing plant in the county, offered to do the board's printing "at cost . . . if it doesn't cut into our time too much."

The board thanked him for his offer.

While he was on his feet, Drager took the opportunity to tell the supervisors that some of them were going to have some "competition" shortly, but didn't say what kind. He indicated today that he was considering candidacy for county office, possibly for the board.

Inviting the board to visit the Nazi printing plant, Drager said that about "half of the county's politicians" had visited there, but he didn't believe any of the supervisors had done so.

It apparently was the first time one of the Nazi's had visited the supervisors.

'White Guard' Sign Goes Up At Nazi Plant

A large sign saying, "White Man Fight — Smash the Black Revolution" has been erected on the roof of the American Nazi Party's printing plant in Spotsylvania County.

The sign, which is visible from a nearby road in Livingston District, stands four feet high and is 16 feet long.

Lt. Frank Drager, Nazi party leader in Spotsylvania and a candidate for county sheriff, said the sign was erected as a forerunner

Telecast Set For Frank Drager

Spotsylvania Nazi Party leader Frank Drager will appear on the "Richmond Today" show tomorrow at 7:15 a.m. on WTVR-TV (Channel 6) in Richmond.

Drager will discuss his candidacy for sheriff of Spotsylvania County and efforts to organize a "White Guard" in the county.

He said today that officials of the station are trying to arrange a debate at the same time between him and a representative of the Student Non-Violent Coordinating Committee (SNICK).

Richmond

Lt. Frank A. Drager, Jr. who has announced his candidacy as a National Socialist for Sheriff of Spotsylvania County, was invited to appear April 5 for 45 minutes on WTVR (Channel 6), Richmond's largest TV station. Although a representative from Stokely Carmichael's so-called Student Non-Violent Coordinating Committee (SNCC) had been invited to appear opposite Lt. Drager, she suddenly decided not to be on the program. Lt. Drager accordingly had the whole show to himself. He used the time very effectively to demonstrate the inferiority of the Negro, the role of the Jew in race-mixing activities, and the White Power position of the Party.

Later that evening, nine Party members led by Lt. Drager picketed Black Power agitator, Stokely Carmichael, when he appeared at the Mosque in downtown Richmond. Their signs read: "Stop Black Riots", "White Power" (with swastica), "America for Whites", etc.

Spotsylvania Nazis to Picket Carmichael

The Spotsylvania Chapter of the American Nazi Party plans to picket an appearance by Stokeley Carmichael, head of the Student Non-Violent Coordinating Committee, in Richmond tonight.

Lt. Frank A. Drager, county party leader, said about a dozen chapter members would march with him in picketing Carmichael's appearance at the Mosque from 7 to 8:30 p.m. Topic of Carmichael's talk is to be "Black Power."

Drager appeared today on a television program, "Richmond Today," in Richmond to discuss activities of the Spotsylvania Nazi unit — the only local Nazi unit in Virginia.

Nazi Party Prepares To Seek County Posts

By JOHN GOOLRICK

The American Nazi Party has announced plans to form an active unit in Spotsylvania County and run candidates for local office.

Lt. Frank A. Drager Jr., who will serve as unit leader in the county, has announced an organizational meeting on Sunday March 5 at 2 p.m. at the party's Livingston District printing plant located off Virginia 643.

Drager said an announcement about the party's plans for participation in coming county elections will be made at the meeting. He had indicated earlier the party might field candidates for one or more local offices up for election this November.

He said that tape recordings of Nazi Party Commander George Lincoln Rockwell's speech at Brown University and Rockwell's debate with Stokely Carmichael, Negro civil rights leader, will be played.

Drager said meetings of the county unit will be held the first Sunday of each month at the Spotsylvania plant "to organize a defense against the Black Civil Rights Revolution and organize for a local political movement."

He said, the party has found Spotsylvania residents to be "very receptive toward National Socialism and very eager to help" members of the party to get elected to local offices. The people of Spotsylvania have assisted our men to overcome any and every situation that arose and aided the printing operation in many ways . . . Never have I witnessed a better group of Americans."

Drager added that, "A victory this year in Spotsylvania will show the world we are finally earning the respect needed to launch a successful political movement."

The Spotsylvania printing plant where the party does all its printing work was established last year in an abandoned chicken house.

Nazi Chapter To Celebrate Hitler Birthday

The Spotsylvania County American Nazi Party chapter is making plans to celebrate the birthday of Adolph Hitler next Thursday, April 20.

Lt. Frank Drager, county party leader, said ceremonies marking Hitler's 78th birthday at the county headquarters in Livingston District will include speeches, swearing in of several new stormtroopers and a buffet dinner. Activities, he said, will be held on the front lawn where a Nazi flag will be displayed.

Principal speaker will be Maj. Matt Koehl, deputy commander of the American Nazi Party and second in command to George Lincoln Rockwell.

No. 2 Nazi Praises Hitler At Spotsylvania Gathering

By JOHN GOOLRICK

Between 35 and 40 Spotsylvania County American Nazi Party members and sympathizers paid homage to Adolph Hitler last night.

On the 78th anniversary of h
Hitler's birth, the Nazis gathered at a Spotsylvania printing plant in remote Livingston District and lighted a symbolic bonfire which they kept going through the night.

The formal part of the ceremonies was preceded by a buffet on a swastika-decorated lawn.

Lt. Frank Drager, county party leader introduced the main speaker of the evening, Maj. Matt Koehl, acting deputy party commander. Koehl is second-in-command to George Lincoln Rockwell, who could not be there.

"Though Adolph Hitler went down in defeat," said Koehl, "if it had not been for him the whole world today would be under Communist-domination. The Soviets and Jews would be complete dictators even here in Spotsylvania. It is tragic that Hitler was a victim of great lies and slander for he recognized well the cancer of Communism and sought to eliminate it, but the people who should have been on his side – such as this nation of ours – turned against him."

"We always hear," said Koehl, "about the mythical six million Jews killed in World War II but we never seem to hear anything about the 30 million white Christians slaughtered by the Communists since 1920 . . . no greater proof is needed that the only victors of the World War II were the Communists than to take a look at a map of the world before that war to see how many countries were Communist and to take a look after the war . . .

"Though Hitler is dead," said Koehl, "his spirit lives on in our party and the hearts of Nazis all over the world. Someday the ideas of this great man will be vindicated and racial purity shall again prevail in the world."

Koehl promoted one Nazi stormtrooper, Spencer Redfield, to the post of group leader and called three probationary troopers forward. Two of the troopers took vows to swear off all alcoholic beverages for 30 days and the other a vow to smoke no cigarettes for 30 days.

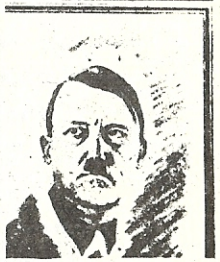
Drager explained that new troopers must take a vow to give up some vice for 30 days. "When that time is up," he said, "we encourage them to continue abstinence from the vice. Many of them do."

Among uniformed Nazis attending last night's event only one was local —a 17-year-old Spotsylvania boy who is now a probationary trooper. The Spotsylvania unit has about 20 members with about half that number composed of persons from the county living in Livingston District. However, Drager contends the party has "many other sympathizers in the county — people who don't want to be known as outright Nazis but who admire what we're doing."

The ceremonies were held in front of the plant where an American flag on one side and a Virginia flag on the other side flanked a picture of Hitler in the middle with an illuminated swastika overhead. On the roof of the building was a large sign saying: "White Man Fight – Smash the Black Revolution." During the ceremony the Nazis frequently faced the picture of Hitler, raised their right arms into the air and shouted, "Heil, Hitler!"

A State Police car with state trooper inside was parked nearby during the proceedings. Later two cars from the Spotsylvania sheriff's departments pulled up on the road to keep an eye on the ceremonies. However, there were no incidents.

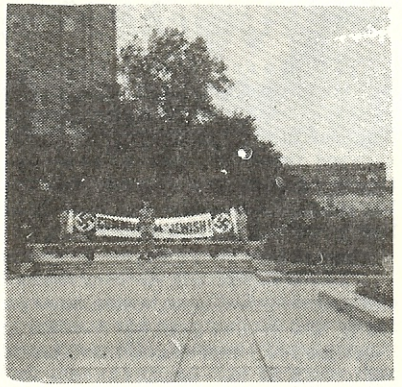
Drager said invitations to the affair had been sent to President Johnson, Gov. Mills Godwin and the local rabbi of the Jewish temple here.



Nazis' Koehl Speaks

Dallas Nazi's Oppose Scum

During recent anti-American demonstrations throughout America, Dallas Nazis, led by Lt. Al Gray, held a rally in Dealy Plaza, where they opposed peace scum face to face. As usual, the panty-waist scum, bearded and filthy, screamed insults and chanted their "love Communism, hate America" songs. The increasing crowd shifted their attention to Lt. Gray and nearly drowned out the speeches with applause and cheers.



Dallas Nazis display huge banner in the general area where President Kennedy was killed by pro-Castro terrorists. The Dallas Nazis hold weekly rallies in the park.

Jew Attacks Nazi

T/L Jerry Parker, Executive Officer of the Dallas unit, and alternate speaker at the Dealey Plaza demonstrations, was attacked by an enraged Jew "war veteran" as he attempted to deliver a speech advocating victory in Vietnam and "Death to Red Scum" all over the world.

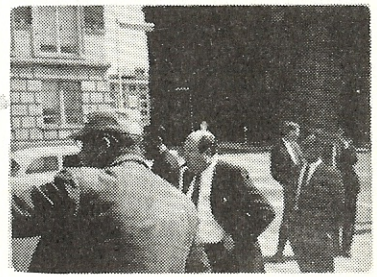
The Jew, Murray Katzen, Dallas clothing manufacturer, came charging at T/L Parker roaring like a wounded bull elephant. He carried a sign which he said he believed the Dallas Nazis were responsible for leaving in his yard at night. The sign, 3 feet by 5 feet, was hand-lettered and read:

Roses are red
Violets are blue,
The White House for us
And the ovens for you.

Mr. Katzen appears regularly at the demonstrations to heckle the Nazis. T/L Parker was unhurt, but Mr. Katzen faces up to $100 fine and 30 days in jail if convicted.

Jews Howl

A mob of screaming, howling, Jew "War Veterans" converges upon Dealey Plaza, the scene of the weekly Nazi demonstration against the peacenik traitors. Carrying New Year's Eve noisemakers, signs, blaring radios and anti-Nazi literature, these "war veterans" ignore the treason going on before their eyes with the peace demonstrations and concentrate their venom upon those who advocate an honorable victory in Vietnam.



Led by Lt. Al Gray, and carrying a 17 foot banner reading "Death to Red Scum", the Dallas unit has provided the only opposition to the Unitarian traitors. Speaking without the aid of a microphone, Lt. Gray called for a speedy victory in Vietnam, and demanded that our next battle against Communism be fought against the home-grown Reds.

Turning the subject to the nature of Communism itself, Lt. Gray exposed the Jews as the driving force behind it. The audience listened in amazement as they heard the facts about the Jews behind the civil rights movement, the peace movement, and the Russian Revolution.

17 foot sign reads "Death to Red Scum". Jew on left is reading a copy of Yogi Bear.

Dear Mr. Rockwell:

Last month, you spoke at Wichita State here. I tried to go and hear you, but couldn't get in. There were too many in the mob outside. Would it be possible to get some kind of a transcript or copy of that speech? Everybody is still talking about it, most of it, good, and I and a bunch of my friends who hang around this gas station I own would like to hear it.

Sir:

A bunch of us are disgusted with the Jews in our town who hog up all the stores on Main Street. They own the paper, and also are the ones always on the local radio station with their garbage about how great Jews and niggers are, etc., etc. We want to paint up a swastika on their damned synagogue. Can you tell me the best way to do it--the time that's safest and what kind of paint or stencil to use so we won't get caught?

T.D. and L.H.
Chicago, Ill.

ANSWER (From Commander Rockwell): DO NOT DO THIS KIND OF THING! It doesn't really do any good exposing the Jews for their Communism, Zionist treason, race-mixing and degeneracy peddling. The Jews just get sympathy from dumb Goy Christians if you paint swastikas on their synagogues. Stay away from their synagogues, and don't break the

law. There's plenty you can do which is legal, which the Jews hate a lot worse than swastika painting. Pass out the TRUTH about them, for instance--or tear down their commie Viet Cong flags when the Jews carry them in their "peace" parades--like we tear them down. --GLR

Mr. Rockwell:

I have been a Bircher, a Christian Crusader, and with almost every other rightwing outfit I could find. All of them left me frustrated and discouraged. It seemed all I did was contribute and pray and other things of the like nature. Then I picked up a copy of your Stormtrooper and read how you guys have been bashing in the heads of the deadly enemies of our people. Believe me, it was like a breath of fresh air! It was great! I want to be part of it. How?

Sir:

In the last Stormtrooper I read about the courageous exploits of the Dallas Nazis in fighting the peace-creeps and Red traitors. Since I live in the area, I would like to contact these brave men and see about joining them. Can you give me their dress please?

Jew Jail Campaign of Terror

Colin Jordan, British Nazi leader, is doing a year and a half in prison in England.

John Beatty, Canadian Nazi leader, is doing six months in Canada.

Robert Shelton, Ku Klux Klan leader, has been sentenced to a year.

Robert De Pugh, Minuteman leader, has been sentenced to four years.

Commander Rockwell, U.S. and world Nazi leader, has been sentenced to three months in a prison where three White men have been beaten to death by Blacks in recent months.

Is the pattern not clear?

The Jews, unsuccessful in slowing down the gathering storm of resistance to their Communist-Zionist race-mixing, have resorted to their favorite "argument"--terrorism.

They hope to smash the growing White Man's resistance movement by jailing the leaders.

They may succeed with some movements.

But never against Nazis.

Colin Jordan and the Commander have been in their filthy jails before. They always come out fighting.

John Beatty will be meaner when he comes out than when he went in.

The world Nazi movement is the organized soul of the WHITE MAN.

Once the White Man is aroused and angry, no Jew terror and no Jew jail can stop the eventual smashing

of Jew power, and the absolute mastery of the planet by WHITE MEN.

When the separate jailings prove futile, the Jews will no doubt use their evil United Nations "genocide" machinery to jail their opponents en masse for "mental harm" to these wonderful, lovable, innocent Jews.

But it won't work, any more than it did in Germany.

The White Man has had enough. The White Man is ready to fight.

For every White leader the Jews knock down, two will spring up.

The will of the White race cannot be conquered!

Beattie, 2 confederates jailed for harassing Jewish leaders

William John Beattie, whose Canadian Nazi Party has changed its name to the Canadian National Socialist Party, was sentenced to six months in jail yesterday for conspiring to interfere with the property rights of 12 Jewish leaders by painting and placing swastika signs on their properties.

Magistrate S. Tupper Bigelow sentenced Beattie's co-accused, Robert Joseph Wood, 29, of Seaton Street, and John Rese, 31, of Havelock Street, to three months in jail each. Wood's sentence is consecutive to a six-month term he is serving on an unrelated charge.

"I am wholly satisfied there is no reasonable or any other doubt of the guilt of the accused. Indeed, their defenses might properly be described as frivolous," Magistrate Bigelow said in a five-page judgment.

Beattie, who had conducted his own defense, rose and replied, "The law works in wondrous ways, Your Worship," when Magistrate Bigelow asked him whether he had anything to say before being sentenced.

Beattie, 25, neatly dressed in a dark suit, was mustached and had his hair combed down on his forehead Hitler-style.

Magistrate Bigelow said he is thoroughly persuaded that the evidence of John Charles Garrity, a private investigator who said he was hired by the Canadian Jewish Congress to infiltrate the then Canadian Nazi Party, is entitled to be regarded as wholly truthful even though he was an accomplice.

"I could discern no motive on Garrity's part for its being anything else," Magistrate Bigelow continued. "It cannot be fairly said that Garrity was instructed by or acting for the police even though he was in daily contact with Inspector (Roy) Soplet of the Metropolitan Toronto police.

"Nor can it safely be assumed that the Canadian Jewish Congress, by whom Garrity was employed, was a public authority. I must therefore regard Garrity as an accomplice, no matter what his motives or the motives of his employers."

Magistrate Bigelow said there is abundant evidence that Beattie had red cardboard posters, at the top of each of which was painted the name of a leader in the local Jewish community.

On the face of each poster there was a swastika about 15 inches square, painted with black paint, Magistrate Bigelow said. There is abundant corroboration that Beattie placed four of the posters on the verandas or on or near the front doors of the homes of four of the Jewish leaders, the judgment said.

"There is substantial, though circumstantial evidence that Wood and Rese placed swastikas on two bridges, thus unlawfully damaging public property," Magistrate Bigelow said. "There is no corroboration that Wood and Rese conspired with Beattie to do this."

His counsel submited that Wood, married and the father of a 2-year-old boy, took only a minor part in the offense.

Counsel for the German-born Rese, who has been 10 years in Canada, said he merely drove the car involved, and may be deported because he is not a Canadian citizen.

Garrity testified during the trial that Beattie arranged the swastika-painting project for last Labor Day weekend. He said he drove Beattie at night last Sept. 5 to four Forest Hill-area homes where Beattie left the signs in question.

Police caught Beattie after chasing him from the front yard of Rabbi Abraham Feinberg's Forest Hill house, Garrity testified. He said he had informed police earlier of the swastika-painting project.

Garrity said Beattie had instructed Rese to spray-paint swastikas on bridges in Toronto's west end, with Wood, on the night in question.

Beattie delivered signs to the Avenal Drive homes of Sydney Harris and Alderman David Rotenberg, the Russell Hill Road home of J. S. Midanik and Rabbi Feinberg's home, Garrity said. Mr. Harris and Mr. Midanik are executives of the Canadian Jewish Congress.
